## Prescription discount card

**The Gold Prescription Drug Discount Card is a prescription benefit with a no deductible, no co-pay discount card that can be combined with your Exec-U-Care coverage.**

### **A golden opportunity**

The Gold Prescription Discount Card is an optional Exec-U-Care feature accepted at more than 96% of all walk-in pharmacies located within the United States. The Gold Card provides a select, distinctive benefit for your key executives.

With the Gold Prescription Discount card, covered employees can fill prescriptions with no out-of-pocket expense. The employee simply shows the card, picks up the order and goes – without paying a cent. Employees enjoy the convenience of a cash-free transaction and a benefit that will help them get the most out of their health care dollars.

### **A prescription for employee satisfaction**

The demand for prescriptions and pharmacy services continues to rise each year. Prescription benefits provide valuable coverage that employees want and need. With the Gold Prescription Discount Card, you can offer a comprehensive prescription discount plan that can help increase employee satisfaction, reduce turnover, and attract new talent.

### **Combined expertise and strength**

Exec-U-Care has collaborated with Caremark to provide a high-quality prescription benefit. The CVS Caremark company is ranked 24th on the 2008 Fortune 500 list, and is the number one provider of prescription drugs in the United States with over one billion prescriptions filled or managed annually.

CVS Caremark is committed to improving patient health and lowering payor expense. Prescriptions are filled as part of the CVS Caremark network. Prescription charges may be tax-deductible to employers. Exec-U-Care provides employers with a monthly statement of prescription charges. A year-end statement is also available for insured employees upon request.
